ACTIVITIES

Follow us on Facebook for updates and tag your Instagram photos with #lorneforeshorecaravanpark to be featured!

BUSH TUCKER (PLANT ID)

Everything green growing around the campground and along the coast is not 'just a plant'. There are hundreds of different types of plants here all with names and stories you can discover. Some have leaves you can put straight in tonight's burger. Others have berries that might be sweet and ripe to try. Come along and find out about nature's food supply.

BIRDWATCHING

Grab your pair of binoculars or borrow some of ours and come and start your list of birds. We have birders from all over Australia coming to this coast to see some of our local birds. Once you have caught the birdwatching bug you will realise it is like the biggest treasure hunt you have ever been on, that lasts your whole life!

ERSKINE RIVER WALK

Join Possum Pete on a nature walk along the Erskine River to the rapids area, spotting birds and tasting bush tucker along the way.

THINGS UP CLOSE

We have a super powerful microscope and we're not afraid to use it. Find something cool and bring it along for us to look at: they all look incredible when seen – Up Close!

STARGAZING

The opposite of our super powerful microscope is our super powerful TELESCOPE. Amazing views of the moon and stars are on offer if there are no clouds!

ROCKPOOL RAMBLE

A world unlike any other, able to be explored only during the low tide and home to some of the most interesting creatures on the planet. Come and tickle a crab or touch a seastar, wear something better than thongs though or you might fall in!

ARTS AND CRAFTS

Bring your creative self and make some holiday memories to take home. Each day is different, from creating beautiful stencil artwork on a calico bag, to colouring marine life and making your crab creation.

WILDLIFE EXPOSURE DISPLAY

A live interactive animal display is the perfect opportunity to safely smile at a crocodile, cuddle a dingo, drape a python around your neck, stare in to the eyes of an owl or laugh with a kookaburra. Whilst learning about some of Australia's amazing creatures and the types of environments they are found in, there will be lots of opportunities for photos and selfies with the animals.

KELLY SPORTS

Kelly Sports will provide a range of fun games and activities for ages 4-11 that develop children's fundamental sporting skills in an environment that encourages children to give sport a go.

CAMPER CONVERSATION DROP IN SESSION

Drop in for a chat with senior management to discuss caravan park operations.

Please wear your hat, sunscreen and shoes to all activities.
